Dear Dr. Peled,

As part of the Trauma Education Consortium (TEC) Planning Committee, we would like to express our sincere gratitude for your participation at TEC's 32rd Annual Totally Trauma held on October 6th and 7th, 2011 . Your lecture on Advances in Trauma Reconstruction was insightful and informative. You received very positive ratings on the evaluations from the attendees. The highest marks were surrounding mastery of subject and content presentation.

Thank you for your commitment to education and providing quality patient care in our community.

Sincerely,

The Trauma Education Consortium Members
